

The Blount County 911 Communications District

9-1-1 Public Safety Telecommunicator Shift Supervisor

JOB DESCRIPTION AND QUALIFICATIONS

Summary:

Under general supervision, this position supervises a dispatch shift for Blount County 911. Provides dispatch and other communication support services for situations involving police, deputies, fire, emergency medical and other city/county public safety responders.

Supervision Received:

9-1-1 Operations Manager

Supervision Exercised:

Exercise supervision over on-duty dispatch personnel.

FLSA Status:

Non-Exempt.

Salary Range: The salary range for this position is \$23.18 - \$30.24 hourly based upon the applicant's education, skills, and experience.

Representative Duties:

- Oversees the operations, activities, and personnel on an assigned shift to ensure compliance of established guidelines, procedures, and policies; ensures appropriate staffing levels are maintained; creates seating assignment rosters; prepares and conducts role call briefings to maintain awareness of relevant events.
- Responsible for the effective supervision and administration to include staff development and administers training of staff and new hires, performance management, employee relations, prioritizing and assigning work and related activities and approving and monitoring leave request.
- Ensures the operational readiness of equipment related to the 911 emergency telephone system, user and affiliated agency radio systems, and the department's computer aided dispatch

system (CAD). Makes minor repairs to communication systems, analyzes problems, and makes referrals to appropriate sources of service; and prepares information subpoenaed for court.

- Assists dispatchers with difficult and complex calls and dispatches; serves as the technical expert over complaint-taking and dispatching operations; conducts quality assurance reviews of calls and dispatches; and operates a telephone and radio console to respond to a variety of emergency and non-emergency services and complaints when needed.
- Queries, enters, modifies, and clears information in local, state, and national computerized databases such as the National Crime Information Center (NCIC) and the Department of Motor Vehicles (DMV) pertaining to arrest warrants, driver record/history, stolen property, other similar data and transmits relevant information to field units.
- Assists with the administrative responsibilities to include gathering data for statistical analysis; creating and reviewing policies and procedures; and assists with the completion of strategic management plan goals.
- Reviews Emergency Dispatch shift activities, reviews dispatch records and files and prepares incident reports and summary reports.
- Evaluates staffing needs and adjusts work schedules to meet estimated workload demand.
- Prepares accurate and detailed reports and required paperwork.
- Follows Blount County Communications District employee handbook, policies, and procedures.
- Maintains the integrity, professionalism, values, and goals of the Blount County Communications District by assuring that all rules and regulations are followed, and that accountability and public trust are preserved.
- May be required to respond after hours, including holidays and weekends, in the event of an emergency.
- Be physically present in attendance at the worksite while on duty.
- Performs other duties as assigned.

Note: The functions and duties listed are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
